

Dear Parents,

The new school year is upon us, and we want to extend a warm welcome and let you know that **Chartwells School Dining Services** has some exciting plans for your school meals programs. We have a great team in place to bring excitement and quality to the program. Our mission, through our philosophy of EAT.LEARN.LIVE, is to ensure that we not only serve healthy and well-balanced meals, but foods our customers will want to eat.

In order to expedite the serving of lunch for your child we would like to remind you of a few procedures.

\*Please place monies in a sealed envelope with the child's name, teacher's name and amount enclosed clearly marked.

\*Please indicate whether monies are for lunch or milk.

\*Checks should be made payable to Barrington Public Schools. Please note child's name on the check.

\*In order to make the process more efficient, it would be helpful if prepayment for the entire week or month could be made on Mondays. Then, your child's account will be debited when they make a purchase.
